

A SMOKE SAUNA TRIP TO SAUNASAARI 2011

Saunasaari is located in the fabulous sea landscape of Helsinki, between Suomenlinna and Laajasalo at Vasikkasaari. Approximately 20 minutes by water taxi from the marketplace, Kauppatori. Since September 2000, the beginning of the “sauna of the month” project, organized by the culture city foundation and the Finnish sauna organization, it has been possible for private persons to experience the smoke saunas of saunasaari. The trips have been very popular, especially among women.

On public request, the opportunity will be arranged also 2011 !

The smoke sauna trips to Saunasaari from both Kauppatori and Kauppahalli(platform 4), are organized together with the sauna cooperative society and Cardinal Marine. At each departure there is room for 60 persons, therefore reservations should be made on time. The minimum number of participants is 15. Separate saunas and hot water tubs for men and women. The catering service at Saunasaari has a buffet, where it is possible to buy sandwiches with grilled salmon, grilled sausages, refreshing beverages, coffee or even a salmon meal, has to be ordered in advance.
